Private coaching is available from our Head Coach, Martin Miller. We have a number of assistant coaches who provide free group coaching. Ladies' coaching takes place on Weds evenings, and Junior coaching on Fri evenings.

## FACILITIES AND INFO

We are located on Langford Road on the outskirts of Biggleswade at Biggleswade Rugby and Squash Club. The club has four courts, with an upstairs viewing facility and fully licensed bar.

There are male and female changing facilities with showers. The club is a members' only club. We welcome players of all abilities, from complete beginners to top club players.

## TEAM SQUASH AND COMPETITIONS

We have two teams in the Beds League, and one in the Herts League.

Internally we run monthly box leagues, with 4-5 players in each league. Results are recorded during the league season (September-April), and a league champion is crowned each year. Box leagues continue throughout the summer for those wishing to participate.

We run annual Club Championships, providing a range of tournaments (A, B, vets and supervets), as well as plate competitions. A handicap competition, open to all members, is held each year.

## SOCIAL SQUASH

Regular club nights are held on Friday nights, providing food and an opportunity to play other members. Similarly, a 'turn-up-and-play' 'Round Robin' is held every Thursday, open to all members. It is easy to organize friendly matches with other members at other times.
