

# Booking Courts with SportyHQ - On the app

The SportyHQ app is available for iOS and Android. Login using the credentials you have set up. Your home screen will look like this:

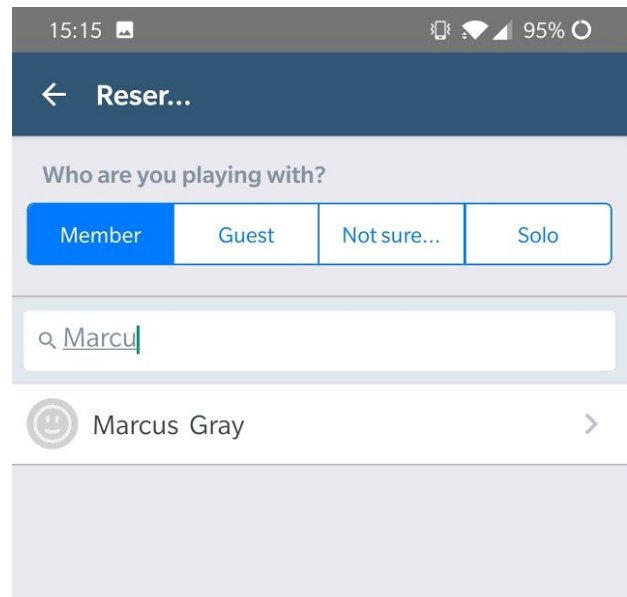

'Create New Booking' will take you to the following screen:

Selecting a date will produce this screen.  
Green courts are available:

Selecting a time allows you to book a court. As you can see, searching for a member will auto-fill the box, and they will receive a notification when you book the court.

From the main screen, selecting 'Existing Bookings' will allow you to view, edit and cancel your bookings.
